ADMISSION OF STUDENTS</p> <p>The Board shall establish age requirements for the admission of beginners, which are consistent with sound educational practice, ensure the equitable treatment of all eligible children, and are consistent with law and regulation.</p> <p>Initial admission to kindergarten or first grade shall be on the basis of chronological age. Students will be admitted to kindergarten or first grade no later than the first two (2) weeks of school. The Board may, upon request of the parent/guardian, admit as a kindergarten or first grade student, children whose chronological age is less than the requirement, but who demonstrate exceptional readiness. The procedures for early admission are defined below.</p> <p><u>Kindergarten</u></p> <p>The entrance age for kindergarten students shall be five (5) years or more on or before September 1 of the school year for which admission is being sought. This age requirement also applies to out-of-state, public, and private school transfer students.</p> <p>In the event that a student has attended a kindergarten in Pennsylvania and moves into the Easton Area School District, the student will not be required to repeat kindergarten, even though the student does not meet the age requirements. A student moving into the district from another state, who is already attending kindergarten, will be considered for kindergarten placement based on previous experiences and their compatibility with the program offered by the district, as determined by Easton Area School District grade level reading and math assessments (DIBELS, DRA, EASD Mathematics Assessment).</p> <p><u>Early Enrollment In Kindergarten</u></p> <p>To be considered for early enrollment:</p> <ol style="list-style-type: none"> 1. The parent/guardian shall write a letter to the Director of Teaching and Learning requesting early enrollment and the reasons they believe the child is ready for
