SECTION: ADMINISTRATIVE
EMPLOYEES

TITLE: COMPLAINT PROCESS

ADOPTED: May 17, 2007

REVISED:

326. COMPLAINT PROCESS	
1. Purpose	Effective management of district operations requires reasonable and effective means of resolving conflicts among management level employees. This policy is established to reduce potential areas of disagreement, and to establish and maintain recognized two-way channels of communication between the Board and management.
2. Authority	<p>The Board adopts this policy to facilitate proper and equitable solutions to complaints at the lowest appropriate level, and to establish an orderly procedure for pursuing solutions.</p> <p>There shall be no reprisals of any kind taken against any employee because of participation in or support of a complaint.</p>
3. Definition	Complaint - any unresolved problem concerning application or interpretation of federal or state laws and regulations; policies and rules of the Board; and written administrative procedures.
4. Guidelines	<p>Complaints should be discussed in a private, informal conference between the parties involved. At least one (1) private meeting should take place between the parties before the complaint is taken to the next higher level of authority.</p> <p>A complainant may be represented or accompanied at the higher levels of authority by anyone s/he chooses.</p> <p>If the same or substantially the same complaint is made by more than one administrator against one respondent, only one administrator, on behalf of self and the other complainants, should pursue the complaint through the prescribed procedure. Names of all complainants shall appear on all documents related to settlement of the complaint.</p>

The time limit provided in this policy may be extended by mutual agreement of the parties. Any decision not pursued within the time limits from one level to the next level shall be considered settled on the basis of the last decision and not subject to further appeal.
