The principal has the right to enforce all of the above restrictions.

Parents should understand that they may be asked to bring a change of clothing to school for students who are in violation of this policy.

School officials may impose limitations on student participation in the regular instructional program where there is evidence that inappropriate dress causes disruption in the classroom, and the lack of cleanliness constitutes a health hazard or disruption of the educational program.

Students have the responsibility to dress appropriately and to keep themselves, their clothes, and their hair clean.

Students should at all times conduct themselves in a manner appropriate to these serious purposes. Most importantly, they should, at all times, be obedient, cooperative, respectful, and responsible to the teacher who is the supervisor of their educational program.

Students who are disrespectful or defiantly disrupt their own education and that of others will be held accountable for such actions.
